DISCLOSURE INFORMATION PARAGRAPH

In compliance with the ACCME Accreditation Criteria, the American College of Surgeons must ensure that anyone in a position to control the content of the educational activity has disclosed all relevant financial relationships with any commercial interest. All reported conflicts are managed by a designated official to ensure a bias-free presentation. Please see the insert to this program for the complete disclosure list.

PROGRAM OBJECTIVES

This activity is designed for physicians. Upon completion of this program, attendees should be able to:

- Demonstrate competence and understanding along with use of medical literature to effectively and cognitively evaluate surgical conditions and symptoms, and suggest appropriate management plans based on the information obtained.

DISTINGUISHED GUEST SPEAKER

L. William Traverso, MD

L. William Traverso, MD is certified by the American Board of General Surgery and is a Fellow of the American College of Surgeons. He specializes in pancreatic neoplasms and inflammatory diseases, including pancreatic cancer, islet cell tumors, intraductal papillary mucinous neoplasms (IPMN), cystic neoplasms, and acute and chronic pancreatitis. He has authored or co-authored more than 250 articles on treatment of pancreatic diseases, many of which can be cured for the first time in history.

Dr. Traverso serves as the medical director for the Center for Pancreatic and Liver Diseases, and is director of the Pancreas Club. He is an active member of the North Pacific Surgical Association, Society of the American Gastrointestinal Endoscopic Surgeons, Society for Surgery of the Alimentary Tract, and Pacific Coast Surgical Associations. He continues to pursue research in hepatobiliary and pancreatic surgery, acute and chronic pancreatitis, laparoscopic endosurgery, cost and outcome analysis, global databases for continuous quality improvement, and registries to identify familial components of pancreatic disease.
